5. Position-Specific Question (respond for all positions for which you are applying):

Diversity Committee Chair: *how should Student Senate contribute to issues of diversity in the Gustavus community, and how will you lead that contribution?*

Public Relations Committee Chair: *what issues does the Student Senate image face, and how will you resolve them? Separately, what graphic design experience do you have?*

Health & Housing Committee Chair: *how does Student Senate fit the network of organizations and departments advancing the wellbeing of the Student Body?*

Student & Academic Affairs Committee Chair: *how are you capable of keeping a pulse on the Student Body and campus community?*

Finance Committee Chair: *what experience, if any, do you have handling budgets? In what ways can the Senate finance process be improved, and how will you handle conflict over budgets?*

Technology Director: *what are some ways Student Senate can remain informed of the technological needs of the students?*

Administrative Director: *how will you collect, preserve, and share the various information you will curate in this position?*

Parliamentarian: *to what degree of rigidity and formality should Student Senate utilize Robert's Rules of Order, and what are the benefits of using parliamentary procedure?*

Controller: *what are the primary responsibilities and benefits of serving as the controller of Student Senate's accounts?*
