

# Student Senate Meeting Agenda

December 11, 2023

*Meeting started at 7:00 PM*

- I. Attendance
  - Quorum is met
- II. Approval of the Minutes
  - There are no discrepancies in the minutes
- III. Community Comment
  - A. Speakers on the Prairie proposal
    - In the long run this would save money, incorporate into FTS classes, save 30% or higher with student seed farming, the soil is very unhealthy
    - The Prairie would help prevent bad runoff from entering the Minnesota River
    - There are no negative outcomes from the prairie, except for upfront cost and space it takes up being inaccessible to student use
    - Discussion over the proposition is held
    - Students looking for a resolution that endorses the idea from the students
- IV. Committee Updates
  - A. Student and Academic Affairs
    - Tabled today for slingshot issues
    - Survey shows people leaning towards disliking slingshot, looking for more interaction with the survey, email going out soon
- V. Old Business
  - There is no Old Business
- VI. New Business
  - A. Discussion over the Blue Emergency Lights
    - Senator LaClare met with the manager of campus safety
    - We either need to spend a lot of money to upgrade the blue lights or get rid of them
    - They have not been utilized in five years, one usage within the span of 10 years

- Alternatives include an emergency app, or phone system in the entrance of most campus buildings
- Discussion over the issue is held
- Most speakers expressed support to get rid of the Blue Emergency Lights
