

Snazzy Student Senate Meeting Agenda

March 4, 2024

Meeting started at 7:00

- I. Attendance
 - A. Quorum is met
- II. Approval of the Minutes
 - A. The minutes are approved
- III. Community Comment
 - A. Small Group Communication Observation
 - A small group will be with us for the remainder of the semester to study our communication
 - If you would be willing to conduct a 20 minute interview with them, let Director Lesch or Co-President Joerger know
 - B. Campus Security
 - Scott Reitan is here with us today to discuss campus safety and risk management
 - There is a lack of lighting between Lund and College View
 - ILS houses having to pay for housing parking and on campus parking
 - Gravel lot for parking has no lines which makes for issues when people park poorly
 - Directing where people park during highschool games or events held on campus
 - Not enough parking near music buildings and Beck for silver permits
 - Lack of cameras in the parking lots
 - Call 911 when it's necessary because it alerts campus safety as well as law enforcement
 - Campus Safety Goals: All buildings will have card access, cameras for parking lots and entryways
 - Parking will remain for the first years, returning students and staff. There will be a half price lot that will be orange permits. Sohre will be only returning student parking.

- Pittman will be reopened for first years and Sohre will be only singles
- Most people against a lottery system for the plex parking

IV. Committee Updates

A. Student and Academic Affairs

- Working to make accessing transaction history in the cafe easier

B. Health and Housing

- Collaborating with Kitchen Cabinet on clamshells, communicating with campus safety to improve lighting on campus, and trying to
- get menstrual products available in more places

C. Inclusive Excellence

- Working to build a student leadership workshop that will help students run clubs and looking to shrink the minimum amount of EBoard members depending on size of the club

D. Environmental Sustainability

- Looked into what could be done with sustainability housing, seeing if we can have smaller clamshells available, looking through the STARRS report and the colleges divestment

E. Technology

- Looking for new election software. Students asking for a new two factor authentication or change to that system

F. Finance

- Received Mid-year allocation requests, timeline for budgeting has been decided. Will soon know how much money will be available for next year.

G. Public Relations

- Working on getting a bigger social media presence and been pushing Day at the Capital to the student body.

H. Ethics

- Elections held recently, have a new views rep and co-president elects. Another election is coming up Monday for Class of 25 reps. Attendance policy resets each semester.
